

## **FOUR – SIX – FOUR**

### **FOUR FOUNDATIONS**

1. **Mission-** Why do we exist? (Why are we here?)
2. **Vision-** What must we become, or what must we do, to accomplish our goals? (What do we want to be?)
3. **Values-** How must we behave to achieve our vision? (How do we get there?)
4. **Goals-** How will we mark our progress? (How will we know when we get there?)

### **SIX PILLARS**

1. Focus on learning
2. Collaborative Culture with a Focus on Learning for All
3. Commitment to Continuous Improvement
4. Collective inquiry into best practice and current reality
5. Action Orientation - Learning By Doing
6. Results Orientation

### **FOUR DRIVING QUESTIONS**

1. What do we want our students to learn?
2. How will we know if they've learned it?
3. How do we respond if some students do not learn it?
4. What do we do to extend and enrich the learning for those who have learned it?
