8. _____

Erica, Blaine, Jeremy, Rebekah

Our article: IS teaching creationism in Religious really controversial?

Beliefs we find evidence of in people's response to the article:

1. Religion is simply an accepted mythology, a way that people can explain things that they don't necessarily understand. [K.R.]
2. The point of school is to make students educated, not to brainwash them into believing one certain theory. [J.W.]
3. I doubt that very many students would be ^{come} confused if they are educated on more than one theory. [B.R.]
4. People could also be offended by science + evolution if they believe in Christ. [H.M.]
