

# THE PLAN

## Foundation Years

In the beginning  
was the Plan  
and then came the  
Assumptions.  
And the assumptions  
were without form.  
And the Plan was completely  
without substance.

And the darkness was upon  
the face of the Teachers, and  
they spoke amongst themselves  
saying, "It is a crock of shit  
and it stinketh"

And the Teachers went unto  
their Principals, and said  
"It is a pail of dung, and none  
may abide the odour thereof."

And the Principals went  
unto their Supervisors  
and said, "It is a container of  
excrement, and it is very  
strong, such that none may  
abide by it."

And the Supervisors went unto  
their Directors, and said, "It is  
a vessel of fertilizer, and none  
may abide by its strength."

And the Directors spoke amongst  
themselves, saying  
one to another, "It contains  
that which aids plant growth,  
and is very strong."

And the Directors went unto  
The Superintendents, and said  
"It promotes growth and is  
very powerful."

And the Superintendents went  
unto the Deputy Minister, and said  
"This powerful new Plan will  
actively promote the growth  
of our high schools."

And the Deputy Minister looked  
upon the face of the Plan, and  
saw that it was good.

And so the Plan became Policy.
